I will let Mr. Samuel Jared Taylor make my argument for me. Thus:

Asians superior to Whites:

Says White West Virginians are “the lowest grade White people”:

Taylor doesn’t understand the concept of age cohorts and people getting older and aging out of age cohorts, a low-IQ, retarded, Somali-level understanding:

Fuentes with Negro friend talking about how much he respects the “admirable” Jared Taylor. Of course he gets right Taylor’s refusal to talk about the Jews in any meaningful way, but Fuentes is 100% wrong that Taylor only talks about Black-White differences. No, while protecting Jews, Taylor and Amren will shit on White West Virginians, Eastern Europeans like Romanians and Hungarians and others, as well as Southern Italians. Fuentes is wrong about that and Taylor is a disgusting hypocrite.
